Many a spoiled boy has developed into a fresh man.

She's a wise widow who never shows how wise she is.

Some people's specialty is pouring the water on enthusiasm.

Villa says he is a self-made man. We suspected as much all along.

For any itching of the skin, for skin rashes, chaps, pimples, etc., try Doan's Ointment. 50c at all drug stores. adv

Efforts to introduce the tango in Arizona have failed. It was entirely too tame.

Between the March lion and the Tammany tiger New York is having a tempestuous time.

King George is so pleased with the ball players that he may be getting up a league of his own.

Feel languid, weak, run down? Headache? Stomach "off"? A good remedy is Haddock Blood Bitters. Ask your druggists. Price \$1.00 adv

Foreigners who get themselves murdered in Mexico do so with out the consent of the United States.

You must say this for Huerta: He can do more tottering before falling than any public man of the century.

Champ Clark has celebrated his birthday. This thing we hope will happen each year for many years to come.

Chamberlain's Tablets for Constipation.

For constipation, Chamberlain's Stomach and Liver Tablets are excellent. Easy to take, mild and gentle in effect. Give them a trial. For sale by all dealers. adv

England says that the American game of baseball is slow. We hope not as slow as the English sense of humor.

Astronomers say the "Big Dipper" will disappear. But not, we suppose, until after the "milky way" goes dry.

Russia just to have a little fun has sent troops to the German border and now stocks and bonds are doing a tango.

Cheapest accident insurance—Dr. Thomas' Electric Oil. For burns, scalds, cuts and emergencies. All druggists sell it. 25c and 50c. adv

A good many people are beginning to think it about time for our dove of peace to let loose a few screams of defiance.

Suffragettes are said to be revising the bible and we expect to learn that the snake and Adam really framed it up on eve.

"I suffered habitually from constipation. Doan's regulators relieved and strengthened the bowels so that they have been regular ever since."—E. Davis, Grocer, Sulphur Springs, Texas. adv

Newport, R. I., has just elected Patrick Boyle mayor for the sixth time, so it must like to be kept in the boiling stage.

The Mothers' Favorite.

A cough medicine for children should be harmless. It should be pleasant to take. It should be effective. Chamberlain's Cough Remedy is all of this and is the mothers' favorite everywhere. For sale by all dealers. adv

Oh, no; President Wilson does not use a big stick; he merely goes before Congress and says—iron-jawed as nails: "I want the canal tolls law changed." And then it's all over but the spluttering and the voting.

"Mrs. Stuyvesant Fish puts veto on the tango," says a news item. But it isn't the dance, it's the girls who need something put on them.

Most all the time somebody is threatening to cross the Atlantic in an aeroplane, but we are still waiting to see somebody make good.

Foley Cathartic Tablets are entirely effective, thoroughly cleansing and always pleasant in action. They contain blue flag, are a remedy for constipation and sluggish liver, and a tonic to the bowels, which are improved by their use. Try them. They do not fail to give relief and satisfaction. For sale by all dealers. Adv.

Anybody who doubts the old saying that man is a mere worm has only to see a couple wriggle through the tango to know better.

It has been estimated that a man uses about 375 lozenges of air a minute. Think of this my friend when you are tempted to eat onions.

Special "Health Warning" for March
March is a trying month for the very young and elderly people. Croup, bronchial colds, grippe and pneumonia are to be feared and avoided. Foley's Honey and Tar is a great family medicine that will quickly stop a cough, check the progress of a cold, and relieve inflamed and congested air passages. It is safe, pure, and always reliable. Sold by R. W. Lanning.

The Democratic State administration is collecting \$225,000 from automobile owners this year and every dollar of the money will be spent upon Missouri roads.

Boston is awakening to the fact that foreign blood is securing the farming land of New England. By and by the natives will be crowded from the Brainerdy.

Plain Truth that's Worth Money

Using Foley's Honey and Tar for a cough or cold may save you both sickness and money. F. F. Monahan, Menomonee, Wis., says: "I am exposed to all kinds of weather and I find Foley's Honey and Tar Compound always fixes me up in good shape when I catch cold or have a bad cough. I recommend it gladly." Refuse substitutes. Sold by R. W. Lanning. adv

Since Illinois established mother's pension wife desertion has largely increased, which shows that a woman often would rather have a pension than her husband.

The Chicago News thinks this Manila controversy indicates that Dewey wants to run for something, but it is more likely he is trying to run up the sales of his book.

Chronic Stomach Trouble Cured.

There is nothing more discouraging than a chronic disorder of the stomach, and it is not surprising that many suffer for years with such an ailment when a permanent cure is within their reach and may be had for a trifle. "About one year ago," says P. H. Beck, of Wakelee, Mich., "I bought a package of Chamberlain's Stomach and Liver Tablets, and since using them I have felt perfectly well. I had previously used any number of different medicines, but none of them were of any lasting benefit." Sold by all dealers. adv

The New York Times talks about the "middle class in Mexico," but the way Huerta and Villa are killing 'em off it looks as if they were all "end" men.

Very little is required to make some people arrogant. There is, for instance, the man who is proud of himself because he was born in February like Lincoln and Washington.

Just right for Backache and Rheumatism

Foley Kidney Pills are so thoroughly effective for backache, rheumatism, sciatic aching joints, kidney and bladder ailments that are recommended everywhere. A. A. Jeffords, Mc Graw, Neb., says: "My druggists recommended Foley Kidney Pills for pains in my back, and before I finished one bottle, my old trouble entirely disappeared. Sold by R. W. Lanning. adv

The Alabama Senatorial contest has accomplished one good thing, it has kept Mr. Hobson from cluttering up the pages of the Congressional Record for the past several months.

Ninety-nine per cent of the citizens of the United States, regardless of party, favor the policy the Democratic administration has pursued in the Mexican crisis. It is because people have gotten wise to the fact that a president who can prevent war is greater than a president who wages a war in which thousands of lives and hundreds of millions in money are sacrificed.

A California judge sentenced a man to 30 days imprisonment for kissing a girl. Here is a chance for the woman voters of the state to exercise the right of the recall.

When the Government encourages farm boys to raise bigger pigs and finer crops than their fathers it may be doing a great work but it is injuring the spirit of ancestor worship.

The Forty Year Test.

An article must have exceptional merit to survive for a period of forty years. Chamberlain's Cough Remedy was first offered to the public in 1872. From a small beginning it has grown in favor and popularity until it has attained a world wide reputation. You will find nothing better for a cough or cold. Try it and you will understand why it is a favorite after a period of more than forty years. It not only gives relief—it cures. For sale by all dealers. adv

Leonardo's "Mona Lisa" is once more safely hung in Paris, and now the gay capital is in tears over the loss of Victor Hugo's tooth. Paris is getting to be a mighty careless city.

It has been nearly sixteen years since Dewey made that German Admiral Officer walk straight line at Manila, and the Germans are just now getting mad about it.

It is wise no doubt for Mr. Charles Murphy to insist on staying in the Tammany harness instead of allowing his political obituary to be written at this stage of the proceedings.

Disordered Kidneys Cause Much Misery

With pain and misery by day, sleep-disturbing bladder weakness at night, nervous run-down men and women everywhere are glad to know that Foley Kidney Pills restore health and strength, and the regular action of kidneys and bladder. Sold by R. W. Lanning. adv

Congress has passed a law to keep women in the District of Columbia from working more than eight hours a day. It is expected to protect all women except those who keep house.

Avoid Stuffy Wheezy Breathing

Take Foley's Honey and Tar Compound for an inflamed and congested condition of the air passages and bronchial tubes. A cold develops quickly if not checked and bronchitis, la grippe and pneumonia are dangerous possibilities. Harsh hacking coughs weaken the system, but Foley's Honey and Tar is safe, pure and certain in results. Contains no opiates. Sold by R. W. Lanning. adv

The latest testimonial to the merits of the Wilson administration come from Ex-President Taft and Chairman Hallis of the Republican National committee, both of whom find much to commend and nothing to criticize in the course the Democratic president has pursued. With a united Democratic party behind him and with plenty of praise and commendation from leaders of the opposition party the president begins his second year under auspices unprecedented in all the history of the United States.

The Democratic income tax will bring in something like a hundred million dollars the first year. Rich folks pay every penny of this sum. The Democratic tariff will reduce the cost of sugar, clothing, shoes, woolen, etc., to the extent of a hundred million dollars the first year, and every penny of this saving will remain in the hands of the earners and consumers of this country. In taxing wealth on the one hand and relieving the earner and consumer on the other, the Democratic party, like a good rule, is working both ways to fine advantage.

Decide For Yourself.

The opportunity is here
Backed by Ste. Genevieve Testimony.

Don't take our word for it.
Don't depend on a stranger's statement.

Read Ste. Genevieve endorsement.
Read the statements of Ste. Genevieve citizens.
And decide for yourself.

Here is one case of it.
Joseph Grieshaber, Ste. Genevieve, Mo., says: About a year ago my kidneys were not acting as they should and I had a very lame back and pains in my limbs. Doan's Kidney Pills acted promptly in relieving me and I have not needed a kidney medicine since." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Grieshaber had. Foster-Milburn Co., Props., Buffalo, N. Y. adv.

You may criticize women and their lit skirts, as much as you please, but we have noticed that when a man has a new pair of silk socks he generally manages to let people see them.

From present indications the number of automobiles owned by Missouri people will reach the enormous total of 55,000 this year. Contrary to the usual idea, a majority of the machines are owned by men on the farm. The State will realize something like \$225,000 from the sale of auto licenses this season and will spend the money upon the public highways. It is a Democratic way, and the road work done with these automobile funds will stand as monuments to the Democratic legislature and Democratic administration which have taken such a keen interest in the cause of good roads.

Catarrh Cannot Be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly upon the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrh. Send for testimonials, free.

One Year of Wilson.

The Wilson administration is one year old. It has to its credit a revision of the tariff downwards; an income tax that will put a hundred million dollars a year in the treasury; a law for the direct election of United States Senators; a tremendous extension and development of the parcel post; a currency bill which insures the country against panics, and other achievements which break all records for constructive legislation in a single year. All who voted for Wilson are still proud of their action. All who failed to vote for him are now glad he was elected. Congratulations to the country and to the Democratic party.
